

Ann and Sterling Edmunds pose with members of the Steinway Committee on August 31 after they announced that they will donate \$10,000 to the Steinway Fund if the public matches that amount in gifts by December 25 of this year. They are also encouraging those who knew and admired Kenneth Cranford to designate their gift as a memorial so that the piano can be named for him. The Edmunds, lifelong residents of Halifax, have supported The Prizery since its inception. Standing with the Edmunds (third and fourth from the left), are Dr. Major Wray, Frances Harrell, Lucia Malon, Mike Rowe, and Mickey Thomas.
